

ASSISTANT TEACHER GUIDELINES:

Below are some expectations/guidelines for our Aspire Assistant teachers. Please if you have any questions before completing the application form don't hesitate to email me at manager@aspirearts.co.nz

We expect you to always be in Aspire uniform when assisting or all black (as per teachers)

Correct Aspire uniform is compulsory still for your own dance classes.

We expect you to be 5 mins early and if you are late or cant make it its important to let your teacher know well in advance - make sure you have their cell number saved.

If your overseeing teacher asks you to prep something for class its important you do this as if you turn up having not prepped it causes stress on the senior teacher and a gap in the lesson plan.

Assistant teachers must commit to helping at the Mini Show and Big show at the end of the year.

Assistant teachers will be expected to attend a meeting/workshop once a term to grow and learn and communicate with how it is all going in their classes.

Thanks for taking the time to read! We will be in touch soon regarding your application.
